Mission and aims

Advice to Third Sector organization with reference to:

-

Project design for all the projects approved at Associazione Arci

-

Project contents and financial monitoring and evaluation

-

Procedures of Social Economy Development at both Italian and European level

-

Training targeted on social managers, operators and volunteers

-

Setting up of social organizations.

In particular, L'A.P.I.S. supplies:

-

A info service about the European, national and regional legislation, programs and funds tailored to support third sector organisations

-

Elaborate feasibility and operational plans in the matters of social inclusion, civil rights promotion, local sustainable development, democratic governance

-

Promote training activities and seminars for third sector managers and base operators and volunteers

-

Offers tutoring and advice on both financial management and book-keeping, as well as it acts as incubator of new social enterprises and initiatives

-

Coordinate the transnationality of the projects partly funded by EU programs

-

Advice to co-ordination activities of projects partly financed by the European Commission programs like the ESF (Horizon, Youthstart, Integra, Adapt and Equal; Obj. 2 and 3 Measures), the ERDF (Recite II Program), Leonardo, Youth for Europe, Culture 2000, Socrates, and the budgte lines of the DG - Employment and Social Affairs.

-

Set-up networks of social bodies/parties/NGOs to exchange views and good practices of social action at a European level.
