www.safadi-foundation.org

Year of Foundation2001

Legal status Non-Profit, Non Governmental Organization

Countries of action Lebanon

Mission and aims

Safadi foundation's mission:

To develop society and advance livelihoods particularly of those marginalized and vulnerable through:

-

Raising constructive consciousness on development issues

-

Building and strengthening human and institutional capacities

-

Enhancing participation and partnership at all levels

Safadi Foundation's Objectives:

-

To improve the quality of life for the sectors of society that suffers from deprivation and to work to meet their urgent needs;

-

To support development initiatives in various socio-economic, environmental, educational and cultural fields, and to coordinate implementation among concerned parties;

-

To strengthen the role of various community groups, especially those that are marginalized and to ensure that they participate in drafting and implementing development plans;

-

To develop human capacity in general, particularly that of young people, and to guide them towards the needs of the job market;

-

To tackle public issues that directly affect the well-being of society and to mobilize the necessary financial and human resources to confront them.
